

## Susquehanna Trail Dog Training Club

Old Friends  
by Connie Cuff

As we come to the end of another year I wish to thank all of our members for their support throughout the year in coming to class and participating in club activities and therapy visits. I am sure our dogs would thank you for all the friendships they have made in coming to class and the people who have met them would express thanks for enriching their lives.

Make this a safe holiday for your pets. If you do a live tree be sure your pets do not drink the preservative water used for your tree. Keep pets away from holly, poinsettias and mistletoe. Four to five ounces of chocolate can be toxic to your pets. It's important to provide your dog with all his regular routines during the busy holiday.

My wish to everyone this year is to have a joyful holiday filled with good friends, and fond memories of the people who have enriched our lives and made us the people we are

today.

A hundred years from now it will not matter the sort of house I lived in, what my bank account was, or the car I drove ..... but the world may be different because I was important in the life of animals and the creatures on this earth.

"snowflakes are one of nature's most fragile things, but just look at what they can do when they stick together"

Till next time,

*Connie*

## Notes and Notices

I wish to thank everyone for my birthday wishes and gifts. It certainly was a nice surprise to see everyone for our last class at the Marina.
